INTRODUCING
THE CARD
THAT'S BETTER THAN
CHECKS, CREDIT
CARDS AND CASH.

THE

NORTH SALEM STATE BANK
VISA CHECK CARD

Today there's only one card you need to make purchases worldwide: the North Salem State Bank VISA Check Card. Now anywhere you see the VISA® or CIRRRUS® symbols, you can use your VISA Check Card instead of cash, checks or credit cards - and it even replaces your ATM card.

It replaces your checkbook
It is quick and easy way to pay for purchases or services and have them deducted directly from your checking account.

You won't have to write a check or show a driver's license. Just hand over your VISA Check Card. It is accepted like a credit card anywhere VISA® is accepted. Plus, you get a receipt for your records.

It replaces your ATM Card.
Use it like you've always used your ATM card. It gets you cash almost everywhere . . . it does everything your ATM Card does!

Don't carry more cards than you need! The VISA Check Card does the job of an army of cards!
Convenience Galore!
It's quicker than writing a check! With your VISA Check Card you won't need to show a driver's license or other identification to make a purchase.

... at the gas station
Yes, at the gas station! Your VISA Check Card is convenient here too. Some stations are set up so you can pump your gas and pay for it right at the pump. You'll get a receipt too!
... at your favorite restaurant

Why use a credit card and pay interest tomorrow on the food you ate yesterday? Use your VISA Check Card and pay as you go . . . or should we say, eat.

... when you travel
When you're out of town, many places won't accept your personal check. But they'll always accept your VISA Check Card, anywhere VISA® is accepted.

... at the ATM
Since your VISA Check Card replaces your ATM Card, you can use it at any ATM location where you see the CIRRRUS® logo. That's over 140,000 ATMs Worldwide.

... in an emergency
You never know when or where an emergency will happen. Having your VISA Check Card gives you a little peace of mind knowing you're "covered".
... Shop by phone

With your VISA Check Card, you can simply call in your order and give them your Card number. That's certainly a lot easier than filling out those confusing order forms and writing yet another check.

Safety ... Don't carry cash
It's better to be safe than sorry, as the saying goes. Carry your VISA Check Card instead of too much cash. If you need more money, simply stop by an ATM or use your VISA Check Card to pay for that unexpected purchase.

Save interest payments ...
There's never a finance charge or interest when you use your VISA Check Card. It's like you're paying with cash!
Deposit or withdraw cash

from your checking or savings account ...
Make deposits to your checking or savings account at any of our ATMs; withdrawals from checking or savings at ANY ATM displaying the CIRRRUS® logo. Your VISA Check Card does it all!

Your monthly statement and transaction receipts keep you balanced.
Every transaction appears on your monthly statement. Compare your saved receipts and you're balanced! No need to wait for checks to clear before balancing.

Use your VISA Check Card... it's fast, simple to use and saves you time...
Spend your time doing the things you enjoy! And, don't forget your VISA Check Card when you go!
